

Andrew Mills & Danny Ramirez  
AP Comp Sci Principles  
1/10/20

Row	Point	Reason
1	Yes	Identified a correct computing innovation and lists purpose/functions
2	Yes	Does state a fact about the purpose of the computer innovation.
3	Yes	Mentions effects of Near Field Communication
4	No	The student describes the function of the computer innovation rather than an effect. Also, the harmful effect is not an effect of its intended use.
5	Yes	Connects effects of NFC to economy in response
6	No	The student does not identify what data is.
7	Yes	Identifies the data storage in NFC and addresses the data concerns because of the data sensitivity
8	No	The student does not use any in text citations.

Score: 5/8
